Media Kit:	An online-version of the media kit can be found at www.littlemadhouseontheprairie.com

Book Synopsis: Marion Witte was raised in a little house on the prairie, although her childhood was nothing like the idyllic version made famous by Laura Ingalls. Subjected to her mother's rage, Witte endured punishments that had devastating emotional effects. Shame, guilt fear and anger followed her into adulthood as she tried to create a better life for herself. In ***Little Madhouse on the Prairie***, Marion chronicles the abuse that no child should have to endure, as well as the healing process that finally brought her peace as an adult. Her heartfelt and remarkable story offers hope and inspiration to those who desire to heal from their own wounds. It also becomes an impassioned plea to create a safe and just world for the youngest citizens on our planet.

Author Biography: Marion Witte is an entrepreneur, writer and child advocate. By telling her personal story of overcoming abuse in ***Little Madhouse on the Prairie***, she hopes to open readers' eyes to the serious and long-term damage caused by all forms of childhood mistreatment. She is the founder and director of the **Angel Heart Foundation**, which is dedicated to the advocacy for children's rights through parental assistance and youth empowerment. Ms. Witte's personal blog is www.marionwitte.com.
